

FROM A HIGH PLACE

THE PULSE OF SPIRIT
FEBRUARY 15, 2016

Ten people participated in *From a High Place*, the third course in the *Primal Spirituality* series, at Sunrise Ranch from February 7th to the 14th. This is their statement of blessing to the world at the end of this time.

You are a shining light, strong and steady, tender and caring, offering a beacon in this foggy world. You are right where you need to be. Your love really matters. ~ *Jane Anetrini*

Dear one, all is well. Never doubt yourself or your dreams. You are a wondrous angelic being, in service to the one, true, living God. You have come that heaven may be known on earth and God's love may live in the heart of mankind. ~ *Uma Faith*

May you awaken to the precious self which burns through the clouds of negativity and reveals that the suspicion, criticism, and anger towards those with whom you have once held agreement is what it is: the

protective shell over the wounded human heart.

I offer you the blessing that opens the heart to all things, opens the mind to that which you know to be true, and opens your being to the flow of infinite, penetrating Light.

~ *Atom Terpening*

With all the love from all the ages, we surround you, lift you up, protect you. Open your soul and sing the map of your destiny. The magic born of our communion is now your skin. Believe it and step forward into your joy. ~ *Heather Ryan*

I am your passion and dedication to bring my expression onto the earth. I am the grace of your service. I am your works, received through all men, all women, all things. You are a beautiful beacon of my love. I Am That I Am. ~ *Keahi Ewa*

I speak to you across time and space to lift you up in your hour of need; to open you to my strength and my power when you think you have none. When the path you are

walking has come to an end, receive my Way,
my Light, my Plan. ~ *David Karchere*

O Blessed One
Raise Thine eyes to mine and drink
of the love you most deservedly have earned.

Each of my Clues you have found on your
journey through darkness,
which has led you HOME!

Hear the Angels lift their voices
to celebrate your sweet VICTORY!

“You are my shining Star!”

With the out-pouring of my heart
I bathe your steadfast feet
with soothing Love and Gratitude.
~ *Julie Bohnet*

I know the depth of longing in you to bring
the fullness of your being to form in this
world, and your longing to extend a loving
creative spirit to others.

I bring peace, assurance and wisdom to
guide your path, heal your heart and
energize your expression. Stay calm,
and know Life in all its radiant, loving
abundance moving through you.
~ *Ruth French*

Lift up thine eyes and stand in the presence of
the Masters, for thou art worthy of mastering
the self. Rise above thine earthly garments of
identity and accept the robe of radiance, that
men may know the glory of the God I am.
~ *Gary Goodhue*

You are precious to me and you are
representing me well. Your journey is your
mission and it will lead you home to me. I
love you. Keep coming, blessed one.
~ *Maureen Waller*

ALL: So it is, and so shall it be. Aum-en.
