

# ANSWER THE DOOR

THE PULSE OF SPIRIT

FEBRUARY 16, 2015

**DAVID KARCHERE** *is a speaker and workshop leader who assists people to renew their Primal Spirituality—an experience that virtually all human beings know at birth, and that ideally grows as they mature.*

It may be hard to believe, but the power of all Creation is pounding at the door of your human awareness, demanding to come in. Look out the window at the trees, the rocks, the clouds—whatever is in the natural world around you. The same power that made it all—the power that grew those trees, created those rocks and is still holding it all together—is pounding at your door.

Unless you are very different from most people, you feel that as pressure. And without even being aware of it, you are leaning against the door, trying to keep it shut and to keep the pressure out while the power of Creation is blowing it down from the

other side. And guess who is going to win?

Think about the stress you feel in your life. You may attribute it to your job, your partner, your family, your money, or something else outside of you. But the real pressure you are feeling is from the inside. The power of Creation is knocking down your door.

Of course, there is no real door in your mind or heart. And the power of Creation doesn't actually knock. But just as surely as it made all of what is outside your window, it is attempting to enter you through your thoughts and feelings, and to create a new life

## ANSWER THE DOOR

for you. It is attempting to create a new experience for you—of who you are and what is possible in your life. And having entered you, it then wants to pour out of you, as you, and create things in your human world, according to its own creative will.

How do I know all this? Because this is exactly what happened to me. It is what is happening to me now. That's why I'm writing to you. These words are that power of Creation, speaking through me. I've come to know that

this is the Creator within all the world, seeking to be revealed in the Creation and seeking to act through my human form. And I find it impossible to believe that you were made so differently from me.

So here is my advice. Open the door. Let that power in. It will be a relief—and a wonder. It will be the beginning of a new life. And the beginning of a new world.
